

Application EFNMS exam

Please find more information at our web page: www.svuh.se or www.efnms.eu

Instruction:

1. Read up and learn more about our validation process and levels. In short:
 - If you pass the knowledge test with proven knowledge in Maintenance English, you will earn an **EFNMS Pass**.
 - Add then up with the skill test and you will earn a **EFNMS Certificate!**
2. Fill in this document.
3. Send this document + attachments to: kansli@svuh.se
4. After application, prepare more by reading: *EFNMS Exams – rules and information.pdf*
5. We will send you a confirmation letter with your approved exam date and included tests, together with all practical information about the event.
6. **REPLY** to our confirmation letter within 14 days if any changes, to ensure correct invoicing and spelling on upcoming diploma. Invoice is then sent.

Any other questions or concerns, please contact the organiser: kansli@svuh.se

4 Catering

Yes, I would like both fika & lunch! *Included for full day test-takers, if participating in only one part of tests a fee of 300kr will be added to invoice – still a nice chance to network with fellow maintenance colleagues from various places.*

Is there anything we should think of regarding food and beverage during the day?

5 GDPR

<https://www.svensktunderhall.se/dataskyddspolicy/>

Yes, I accept.
